OCTOBER'S FUNNY

A retired older couple returned to a Corvette dealership where the salesman had just sold the car they had been interested, to a beautiful leggy, busty blonde in a mini skirt and halter top.

The old man was visibly upset.

He spoke to the salesman sharply, "Young man I thought you told us you would hold the car until we arranged the \$85,000 asking price, yet I just overheard you closed the deal for \$72,000 to the lovely young lady there. And if I remember correctly, you had insisted there was no way you could discount this model.

The salesman took a deep breath, cleared his throat and reached for a large glass of water.

"Well what can I tell you? She had the cash ready, didn't need any financing help, and, sir, just look at her, how could I resist?", replied the salesman grinning sheepishly.

Just then the young woman approached the senior couple and gave the car keys to the old man.

There you go," she said. "I told you I could get that idiot to lower the price. Happy Father's Day Dad,

Once again ... don't mess with seniors.
